Proposed Changes in College of Education and Human Sciences

Following are proposed curricular changes in the College of Education and Human Sciences. If you have questions or concerns, contact Jill Prushiek prushijt@uwec.edu or 715-836-5710 within 15 days of this notice, posted March 17, 2020.

Communication Sciences and Disorders – Comprehensive Major: Communication Sciences and Disorders, Liberal Arts code 622-053

TO: Delete the requirement of Western/Non-Western History or Culture course(s).

Rationale: The Wisconsin Department of Public Instruction has promulgated new rules effective August 1, 2018. These rules eliminate specific general education requirements and allow institutions to require a general education program as part of a bachelor’s degree program. Therefore, no specific general education courses are required by DPI outside of the current LE requirements at UWE- Eau Claire.

Removal of the Western/Non-Western history or Culture requirement should also give CSD majors more flexibility in meeting LE requirements within a 4-year degree plan.
