Watershed Institute for Collaborative Environmental Studies (WICES)

DATE: February 4, 2019

RE: Program Change

We request implementation of the following program changes with the next possible University Catalog. The program change was approved by WICES on December 12, 2018.

MINOR: Public Health, Liberal Arts (Code 488-401)

FROM: http://catalog.uwec.edu/undergraduate/arts-sciences/interdisciplinary/public-health-liberal-arts/

TO:
1. HCAD 201 needs to be changed from a core course to an elective and placed in the Administration/Policy electives subcategory
2. The required core course credits need to be changed from 12 credits to 9 credits
3. The required elective credits need to be changed from 12 credits to 15 credits

WHY: We request the proposed modifications to create more flexibility for students in the minor and to address capacity concerns in the Health Care Administration program in the College of Business.
