Proposed Changes in College of Education and Human Sciences

Following are proposed curricular changes in the College of Education and Human Sciences. If you have questions or concerns, contact Jill Prushiek prushijt@uwec.edu or 715-836-5710 within 15 days of this notice, posted November 21, 2017.

Kinesiology Department

Health Education

To: Remove from the Health Education sequence the following course: KINS 274. With this change, the required credits for this minor decrease to 25 credits.

Rationale: KINS 274 was deleted from our department course offerings since most students do this training and certification independently of their curriculum. Thus, to update the current offerings, we are asking for removal of this course from the Health Education sequence.
