RE: Program Change

We request implementation of the following program change with the next possible Catalog.

Name of Program: Women's, Gender, and Sexuality Studies Minor, Liberal Arts

Program Code: 485-401

Date of Department/Program Approval: April 22, 2019 and May 6, 2019

From Current Catalog Web Page: http://catalog.uwec.edu/undergraduate/arts-sciences/womens-studies/womens-gender-sexuality-studies-minor/

To: 1) Remove WGSS 250 as part of the WGSS Minor core requirement, reduce the core credits to 15 and increase the electives to 9; 2) Remove the option of WGSS 301 in the core; 3) Add optional electives of AIS 444 and SOC 415.

Why: The Women's, Gender and Sexuality Studies requests these changes to increase the flexibility of the WGSS Minor. 1) The WGSS Program does not have the resources to offer WGSS 250 every year; 2) WGSS 301 has been dropped from the curriculum; 3) Adding AIS 444 and SOC 415 as elective options will widen the choices of students completing the Minor and will be valuable experiences for those who take them. Overall, making these changes will help the WGSS minors graduate in a timely manner. Also, by giving students more flexibility, that would help us recruit more minors into the Program.
